

Welcome to the Mission Pharmacal RxPORT® Program

*Within 1-2 business days,
you will receive a call or text from
(866) 211-6196
or (863) area code number*

Your prescription for one of the following:

AVAR®
(sodium sulfacetamide, sulfur)
product family

OVACE® PLUS
(sodium sulfacetamide)
Product Family 

Texacort®
(hydrocortisone)
topical solution **2.5%**

Eletone® Cream
with Hydrolipid Technology 

has been sent to the Mission RxPORT® Program administered by Eagle Pharmacy. Your prescription and insurance information will be reviewed and processed at a local pharmacy or delivered to your home.

Before your prescription can be filled, a customer service representative from Eagle Pharmacy will contact you to discuss your insurance, options for payment, and verify your address for delivery.

**If you have additional questions, call toll-free:
(866) 211-6196**

How it works

1

To initiate your prescription, the doctor will submit your information to the Mission RxPORT® for processing.

2

RxPORT contacts your insurance company to determine co-pay and any limitations on prescribing.

RxPORT contacts you to confirm your insurance co-pay. If you do not have insurance, options will be discussed with you.

If RxPORT does not contact you within 2 business days, please call: (866) 211-6196.

3

RxPORT processes claims with your insurance provider and arranges your prescription for pick-up or delivery directly to your home.
